Dear Dr. Thorpe,

Thank you very much! I just enrolled in the course.

I saw that on canvas, we have our first homework due 2/2. Because I have not been in class for this first week, is it possible to get a short **extension** to 1) review the slides, 2) review course exercises, and 3) complete the homework? Please let me know, and I look forward to attending class this coming week.

Best,
Ivy
